EXPERIENCE

IT Technician Contractor (Team Leader) at Lloyds Banking Group

Led a team to efficiently set up an office computing infrastructure within health and safety guidelines governing proper office use as well as planning out team member working schedules to complete assigned work by the given completion time and mitigating possible team issues.

July 2021 to September 2021

Telephone Interviewer at Ipsos MORI

Gathering opinions from survey participants to facilitate business research and insights for company customers as well as considerate input of participant responses into our data entry systems.

April 2017 to May 2018

Bartender and Waiter at Fergie's Bar (Bathgate, UK)

Opening and closing the bar at the start and end of my shifts, interacting with customers to provide a welcoming drinking environment and giving attention to details while preparing drinks.

August 2015 to May 2016
